

## Welcome to BonanzaLand!

Delegates and visitors from the eastern half of the United States who arrived by any scheduled carrier to the 44th National Convention of The American Legion here in Las Vegas have an opportunity to see a good share of the West at an unprecedented low cost for air fare.

Bonanza Air Lines—serving Arizona, California, Nevada, and Utah—offers its BonanzaLand Area-Fare which provides to residents of Minnesota and all states east of the Mississippi, plus those outside the continental U. S., the **unlimited** use of all flights on Bonanza's all jet-powered system at a flat rate of \$90 for 15 days or \$160 for 30 days.

The four western states served by the airline are a payload of attractions, from the natural wonders of Grand Canyon to the man-made wonders of Disneyland and Hoover Dam. This area-fare, used in combination with rental cars or guided ground tours, offers an opportunity to see many of the West's attractions in a short period of time.
